Section 5.3 No Consents or Approvals. The execution and delivery of, and performance under, this Agreement require no approval or other action from any governmental authority or person other than Buyer.

Section 5.4 Buyer Status. Buyer is not a Restricted Person, and is of sound mind, is not subject to any of the disqualifying events, bankruptcy event or any similar event preventing him\ her from purchasing of FUTURE1COIN Tokens (a "Buyer Event"), and there is no proceeding or investigation pending or, to the knowledge of Buyer, threatened by any governmental authority, that would reasonably be expected to become the basis for a Buyer Event.

Section 5.5 Buyer Knowledge and Risks of Project. Buyer has sufficient knowledge and experience in business and financial matters, including a sufficient understanding of blockchain or cryptographic tokens and other digital assets, smart contracts, storage mechanisms (such as digital or token wallets), blockchain-based software systems and blockchain technology, to be able to evaluate the risks and merits of Buyer's purchase of FUTURE1COIN Tokens, including but not limited, to the matters set forth in this Agreement, and is able to bear the risks thereof, including loss of all amounts paid, loss of FUTURE1COIN Tokens, and liability to the Company Parties and others for its acts and omissions, including with limitation those constituting breach of this Agreement, negligence, fraud or willful misconduct. Buyer has obtained sufficient information in order to make an informed decision

to purchase FUTURE1COIN Tokens. More details on Risks associated with entering into this Agreement you may find in ARTICLE 7 herein.

Section 5.6 Funds; Payments.

(a) Funds. The funds, including any fiat, virtual currency or cryptocurrency, Buyer uses to purchase FUTURE1COIN Tokens are not derived from or related to any unlawful activities, including but not limited to money laundering or terrorist financing, and Buyer will not use the FUTURE1COIN Tokens to finance, engage in, or otherwise support any unlawful activities.

(b) Payments. All payments by Buyer under this Agreement will be made only in Buyer's name, from a digital wallet or bank account not located in a country or territory that has been designated as a "non-cooperative country or territory" by the Financial Action Task Force, and is not a "foreign shell bank" within the meaning of the U.S. Bank Secrecy Act (31 U.S.C. § 5311 et seq.), as amended, and the regulations promulgated thereunder by the Financial Crimes Enforcement Network, as such regulations may be amended from time to time.

Article 6 : DISCLAIMERS

Section 6.1 Buyer expressly acknowledges, understands and agrees that Buyer is using the FUTURE1COIN Tokens at the Buyer's sole risk and that the FUTURE1COIN Tokens are each provided, used and acquired on an "AS IS" and on an "AS AVAILABLE" basis without representations, warranties, promises or guarantees whatsoever of any kind by Company and Buyer shall rely on its own examination and investigation thereof.

Section 6.2 No Representation or Warranty. (A) COMPANY DOES NOT MAKE AND EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED OR STATUTORY; AND (B) WITH RESPECT TO FUTURE1COIN TOKENS, COMPANY SPECIFICALLY DOES NOT REPRESENT OR WARRANT AND EXPRESSLY DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION, ANY REPRESENTATIONS OR WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, USAGE, SUITABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, OR AS TO THE WORKMANSHIP OR TECHNICAL CODING THEREOF, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT.

Article 7 : RISKS

A PARTICIPATION IN ICO AND A PURCHASE OF THE FUTURE1COIN TOKENS INVOLVE A HIGH DEGREE OF RISK. BELOW ARE CERTAIN RISKS THAT SHOULD BE CONSIDERED IN CONNECTION WITH PARTICIPATION IN TOKEN DISTRIBUTION AND PURCHASE OF DIGITAL TOKENS. THERE MAY BE OTHER RISKS ASSOCIATED WITH DIGITAL TOKENS, TRADING VENUES AND THE WHOLE MARKET WHICH THE COMPANY MAY NOT PREDICT AT THIS TIME. THE DIGITAL TOKENS ARE OF A SPECIALIST NATURE AND SHOULD ONLY BE PURCHASED AND TRADED BY INVESTORS WHO ARE PARTICULARLY KNOWLEDGEABLE IN INVESTMENT MATTERS. FUTURE1COIN TOKENS MAY HAVE NO VALUE. BUYER MAY LOSE ALL AMOUNTS PAID. Buyer has carefully reviewed, acknowledges, understands and assumes the following risks, as well as all other risks associated with the FUTURE1COIN Tokens (including those not discussed herein), all of which could render the FUTURE1COIN Tokens worthless or of little value:

Section 7.1 No Rights, Functionality or Features. FUTURE1COIN Tokens have no rights, uses, purpose, attributes, functionalities or features, express or implied, outside the Project.

Section 7.2 FUTURE1COIN PLATFORM. Buyer should not purchase FUTURE1COIN Tokens in reliance on the FUTURE1COIN PLATFORM because FUTURE1COIN Tokens may not be usable on the FUTURE1COIN PLATFORM or outside it and do not entitle Buyer to anything with respect to the FUTURE1COIN PLATFORM.

Section 7.3 Purchase Price Risk. The distribution of FUTURE1COIN Tokens will occur at the end of the Distribution Period. There are no guarantees as to the price of FUTURE1COIN Tokens purchased by Buyer and no guarantees that the price per FUTURE1COIN Token determined each period by the market will be equal to or higher. There is the possibility that the price per FUTURE1COIN Token will fall below the price paid by initial buyers of FUTURE1COIN Tokens during the Distribution Period. Company reserves the right to change the duration of the Distribution Period for any reason, including, without limitation, bugs in the Distribution Contract or the unavailability of the Website or other unforeseen procedural or security issues.

Section 7.4 Blockchain Delay Risk. On the Ethereum blockchain, timing of block production is determined by proof of work so block production can occur at random times. For example, ETH contributed to the FUTURE1COIN Distribution Contract in the final seconds of a distribution period may not get included for that period. Buyer acknowledges and understands that the Ethereum blockchain may not include the Buyer's transaction at the time Buyer expects and Buyer may not receive FUTURE1COIN Tokens the same day Buyer sends ETH.

Section 7.5 Ethereum Blockchain. The Ethereum blockchain is prone to periodic congestion during which transactions can be delayed or lost. Individuals may also intentionally spam the Ethereum network in an attempt to gain an advantage in purchasing cryptographic tokens. Buyer acknowledges and understands that Ethereum block producers may not include Buyer's transaction when Buyer wants or Buyer's transaction may not be included at all.

Section 7.6 Ability to Transact or Resell. Buyer may be unable to sell or otherwise transact in FUTURE1COIN Tokens at any time, or for the price Buyer paid. By purchasing FUTURE1COIN Tokens, Buyer acknowledges, understands and agrees that: (a) FUTURE1COIN Tokens may have no value; (b) there is no guarantee or representation of liquidity for the FUTURE1COIN Tokens; and (c) Company is not and shall not be responsible for or liable for the market value of FUTURE1COIN Tokens, the transferability and/or liquidity of FUTURE1COIN Tokens and/or the availability of any market for FUTURE1COIN Tokens through third parties or otherwise.

Section 7.7 Token Security. FUTURE1COIN Tokens may be subject to expropriation and or/theft. Hackers or other malicious groups or organizations may attempt to interfere with the FUTURE1COIN Distribution Contract or the FUTURE1COIN Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing and spoofing. Furthermore, because the Ethereum platform rests on open source software and FUTURE1COIN Tokens are based on open source software, there is the risk that Ethereum smart contracts may contain intentional or unintentional bugs or weaknesses which may negatively affect the FUTURE1COIN Tokens or result in the loss of Buyer's FUTURE1COIN Tokens, the loss of Buyer's ability to access or control Buyer's FUTURE1COIN Tokens or the loss of ETH in Buyer's account. In the event of such a software bug or weakness, there may be no remedy and holders of FUTURE1COIN Tokens are not guaranteed any remedy, refund or compensation.

Section 7.8 Access to Private Keys. FUTURE1COIN Tokens purchased by Buyer may be held by Buyer in Buyer's digital wallet or vault, which requires a private key, or a combination of private keys, for access. Accordingly, loss of requisite private key(s) associated with Buyer's digital wallet or vault storing FUTURE1COIN Tokens will result in loss of such FUTURE1COIN Tokens, access to Buyer's FUTURE1COIN Token balance and/or any initial balances in blockchains created by third parties. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a hosted wallet or vault service Buyer uses, may be able to misappropriate

Buyer's FUTURE1COIN Tokens. Company is not responsible for any such losses.

Section 7.9 New Technology. The FUTURE1COIN PLATFORM and all of the matters set forth in the White Paper are new and untested. The FUTURE1COIN PLATFORM might not be capable of completion, implementation or adoption. It is possible that FUTURE1COIN PLATFORM will never be launched and there may never be an operational platform. Even if the FUTURE1COIN PLATFORM is completed, implemented and adopted, it might not function as intended, and any tokens associated with a blockchain adopting the FUTURE1COIN PLATFORM may not have functionality that is desirable or valuable. Also, technology is changing rapidly, so the FUTURE1COIN Tokens and the FUTURE1COIN PLATFORM may become outdated.

Section 7.10 Reliance on Third-Parties. Even if completed, the FUTURE1COIN PLATFORM will rely, in whole or partly, on third parties (including any Company Party other than the Company itself) to adopt and implement it and to continue to develop, supply, and otherwise support it. There is no assurance or guarantee that those third parties will complete their work, properly carry out their obligations, or otherwise meet anyone's needs, all of which might have a material adverse effect on the Project.

Section 7.11 Failure to Map a Public Key to Buyer's Account. Failure of Buyer to map a public key to Buyer's account may result in third parties being unable to recognize Buyer's FUTURE1COIN Token balance on the Ethereum blockchain.

Section 7.12 Exchange & Counterparty Risks. If Buyer sends ETH to the FUTURE1COIN Distribution Contract from an exchange or an account that Buyer does not control, pursuant to the FUTURE1COIN Distribution Contract, FUTURE1COIN Tokens will be allocated to the account that has sent ETH; therefore, Buyer may never receive or be able to recover Buyer's FUTURE1COIN Tokens. Furthermore, if Buyer chooses to maintain or hold FUTURE1COIN Tokens through a cryptocurrency exchange or other third party, Buyer's FUTURE1COIN Tokens may be stolen or lost. By purchasing FUTURE1COIN Tokens, Buyer acknowledges and agrees that Buyer holds FUTURE1COIN Tokens

on a cryptocurrency exchange or with another third party at Buyer's own and sole risk.

Section 7.13 Changes to the Project. The FUTURE1COIN PLATFORM is still under development and may undergo significant changes over time. Although Company intends for FUTURE1COIN PLATFORM to have the features and specifications set forth in the White Paper, Company may make changes to such features and specifications for any number of reasons, any of which may mean that the FUTURE1COIN PLATFORM does not meet Buyer's expectations.

Section 7.14 Project Completion. The development of FUTURE1COIN PLATFORM may be abandoned for a number of reasons, including, but not limited to, lack of interest from the public, lack of funding, lack of commercial success or prospects, or departure of key personnel.

Section 7.15 Lack of Interest. Even if the Project is finished, launched and adopted, the ongoing success of the Project relies on the interest and participation of third parties. There can be no assurance or guarantee that there will be sufficient interest or participation in the Project.

Section 7.16 Uncertain Regulatory Framework. The regulatory status of cryptographic tokens, digital assets and blockchain technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether governmental authorities will regulate such technologies. It is likewise difficult to predict how or whether any governmental authority may make changes to existing laws, regulations and/or rules that will affect cryptographic tokens, digital assets, blockchain technology and its applications. Such changes could negatively impact FUTURE1COIN Tokens in various ways, including, for example, through a determination that FUTURE1COIN Tokens are regulated financial instruments that require registration. Company may cease the distribution of FUTURE1COIN Tokens, the development of the Project or cease operations in a jurisdiction in the event that governmental actions make it unlawful or commercially undesirable to continue to do so.

IT IS YOUR PERSONAL RESPONSIBILITY TO COMPLY WITH YOUR LOCAL REGULATIONS AND LAWS OF YOUR JURISDICTION WHEN PARTICIPATING IN FUTURE1COIN DISTRIBUTION CONTRACT OR PURCHASING ON THE SECONDARY MARKET THE FUTURE1COIN TOKENS.

THE COMPANY PRECLUDES YOU FROM PARTICIPATING IN FUTURE1COIN DISTRIBUTION CONTRACT AND THIS AGREEMENT IF RELEVANT AUTHORITY IN YOUR COUNTRY OF RESIDENCE FORBID YOU TO DO SO AND/OR REQUIRES THE COMPANY TO REGISTER WITH, OR TO REGISTER FUTURE1COIN DISTRIBUTION AGREEMENT OR THIS AGREEMENT WITH, OR TO FILE ANY OTHER FORMS, INFORMATION OR DOCUMENTATION WITH, OR REQUEST FOR AUTHORISATION FROM, SUCH AUTHORITY, OR IMPOSES ON THE COMPANY ANY OTHER LIABILITY OR OBLIGATION SIMILAR TO THE ABOVE.

Section 7.17 Risk of Government Action. The industry in which Company operates is new, and may be subject to heightened oversight and scrutiny, including investigations or enforcement actions. There can be no assurance that governmental authorities will not examine the operations of Company and/or pursue enforcement actions against Company. Such governmental activities may or may not be the result of targeting Company in particular. All of this may subject Company to judgments, settlements, fines or penalties, or cause Company to restructure its operations and activities or to cease offering certain products or services, all of which could harm Company's reputation or lead to higher operational costs, which may in turn have a material adverse effect on the FUTURE1COIN Tokens and/or the development of FUTURE1COIN PLATFORM.

Article 8 : LIMITATION OF LIABILITY; INDEMNIFICATION

Section 8.1 Limitation of Liability. To the fullest extent permitted by applicable law, Buyer disclaims any right or cause of action against Company of any kind in any jurisdiction that would give rise to any Damages whatsoever, on the part of Company. Company shall not be liable to Buyer for any type of damages, whether direct, indirect, incidental, special, punitive, consequential or exemplary (including damages for lost profits, goodwill, use or data), even if and notwithstanding the extent to which Company has been advised of the

possibility of such damages. Buyer agrees not to seek any refund, compensation or reimbursement from a Company Party, regardless of the reason, and regardless of whether the reason is identified in this Agreement.

Section 8.2 Damages. In no circumstances will the aggregate joint liability of the Company Parties, whether in contract, warrant, tort or other theory, for Damages to Buyer under this Agreement exceed the amount received by Company from Buyer.

Section 8.3 Force Majeure. Buyer understands and agrees that Company shall not be liable and disclaims all liability to Buyer in connection with any force majeure event, including acts of God, labor disputes or other industrial disturbances, electrical, telecommunications, hardware, software or other utility failures, software or smart contract bugs or weaknesses, earthquakes, storms, or other nature-related events, blockages, embargoes, riots, acts or orders of government, acts of terrorism or war, technological change, changes in interest rates or other monetary conditions, and, for the avoidance of doubt, changes to any blockchain-related protocol.

Section 8.4 Release. To the fullest extent permitted by applicable law, Buyer releases Company from responsibility, liability, claims, demands, and/or damages of every kind and nature, known and unknown (including, but not limited to, claims of negligence), arising out of or related to disputes between Buyer and the acts or omissions of third parties.

Section 8.5 Indemnification.

(a) To the fullest extent permitted by applicable law, Buyer will indemnify, defend and hold harmless and reimburse Company and Company Party from and against any and all actions, proceedings, claims, damages, demands and actions (including without limitation fees and expenses of counsel), incurred by Company arising from or relating to: (i) Buyer's purchase or use of FUTURE1COIN Tokens; (ii) Buyer's responsibilities or obligations under this Agreement; (iii) Buyer's breach of or violation of this Agreement; (iv) any inaccuracy in any representation or warranty of Buyer, including KYC-AML; (v)

Buyer's violation of any rights of any other person or entity; and/or (vi) any act or omission of Buyer that is negligent, unlawful or constitutes willful misconduct.

(b) Company reserves the right to exercise sole control over the defense, at Buyer's expense, of any claim subject to indemnification under this Section 8.5. This indemnity is in addition to, and not in lieu of, any other indemnities set forth in a written agreement between Buyer and Company.

Article 9 : DISPUTE RESOLUTION

Section 9.1 Informal Dispute Resolution. Buyer and Company shall cooperate in good faith to resolve any dispute, controversy or claim arising out of, relating to or in connection with this Agreement, including with respect to the formation, applicability, breach, termination, validity or enforceability thereof (a "Dispute"). If the Parties are unable to resolve a Dispute within ninety (90) days of notice of such Dispute being received by all Parties, such Dispute shall be finally settled by Binding Arbitration as defined in Section 9.2 below. All notices to the Company in relation hereto shall be sent to contact@future1coin.com and sent otherwise shall not be deemed received by the Company. Notice to you shall be to email address provided by you to us. Company may use the last email address of you known to it, and you may not claim notice not to be received if it is sent to such email address.

Section 9.2 Binding Arbitration. Any Dispute not resolved within 90 days as set forth in Section 9.1 shall be referred to and finally resolved by arbitration administered by the BVI Arbitration Centre in accordance with the Arbitration Rules of BVI for the time being in force, which rules are deemed to be incorporated by reference in this clause. The seat of the arbitration shall be BVI. The tribunal shall consist of one arbitrator. The language of the arbitration shall be English.

The governing law of the Agreement shall be as set forth in Section 10.1 herein. The arbitration award shall be final and binding on the Parties ("Binding Arbitration"). The Parties undertake to carry out any

award without delay and waive their right to any form of recourse insofar as such waiver can validly be made. Judgment upon the award may be entered by any court having jurisdiction thereof or having jurisdiction over the relevant Party or its assets. Company and Buyer will each pay their respective attorneys' fees and expenses. Notwithstanding the foregoing, Company reserves the right, in its sole and exclusive discretion, to assume responsibility for any or all of the costs of the arbitration.

Section 9.3 No Class Arbitrations, Class Actions or Representative Actions. Any dispute arising out of or related to this Agreement is personal to Buyer and Company and will not be brought as a class arbitration, class action or any other type of representative proceeding. There will be no class arbitration or arbitration in which an individual attempts to resolve a dispute as a representative of another individual or group of individuals. Further, a dispute cannot be brought as a class or other type of representative action, whether within or outside of arbitration, or on behalf of any other individual or group of individuals.

Article 10 : MISCELLANEOUS

Section 10.1 Governing Law. This Agreement shall be governed in all respects, including as to validity, interpretation and effect, by the laws of Republic of BVI, without giving effect to its principles or rules of conflict of laws, to the extent such principles or rules are not mandatorily applicable by statute and would permit or require the application of the laws of another jurisdiction.

Section 10.2 Assignment. Buyer shall not assign this Agreement without the prior written consent of Company. Any assignment or transfer in violation of this Section 10.2 will be void. Company may assign this Agreement to an affiliate or partner. Subject to the foregoing, this Agreement, and the rights and obligations of the Parties hereunder, will be binding upon and inure to the benefit of their respective successors, assigns, heirs, executors, administrators and legal representatives.

Section 10.3 Entire Agreement. This Agreement, including the exhibits attached hereto and the materials incorporated herein by reference, constitutes the entire agreement between the Parties and supersedes all prior or contemporaneous agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof, including, without limitation, any public or other statements or presentations made by Company about the FUTURE1COIN Tokens or the FUTURE1COIN PLATFORM.

Section 10.4 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid, inoperative or unenforceable for any reason, the provision shall be modified to make it valid and, to the extent possible, effectuate the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 10.5 Modification of Agreement. This Agreement is subject to change by the Company at its sole discretion at any time by posting a revised version on the Website, available at www.future1coin.com. The modified terms will become effective upon posting. It is Buyer's responsibility to check the Website regularly for modifications to this Agreement.

Section 10.6 Termination of Agreement; Survival. This Agreement will terminate upon the completion of all sales in the FUTURE1COIN Token Distribution. Company reserves the right to terminate this Agreement, in its sole discretion, in the event that Buyer breaches this Agreement.
